

What are we doing at Nursery this week?

Morning Children

Little Lambs Pre-School Centre	
Our Rules	
1. We care for each other	
2. We say 'please' and 'thank you'	
3. We listen to each other	
4. We call each other by our names	
5. We share and tidy up our toys	
6. We walk inside Pre-School	

- Reinforcing our rules and routines
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Exploring the texture of gravel as we play together with our small world diggers in gravel
- Role playing Garden Centres

- Creating patterns and noticing errors in our patterns as we print with vegetables

- Creating ramps for our toy cars using different textured surfaces and predicting which surface will make them go faster

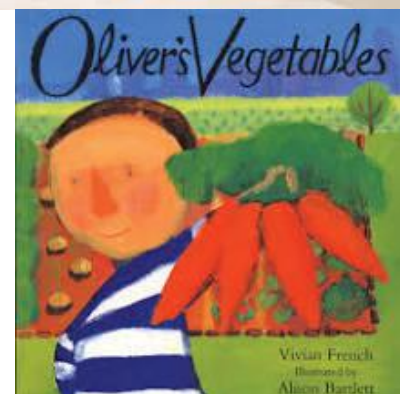

- Practising writing our names

- Exploring our textured pathway outdoors

- Focusing on the story Oliver's Vegetables

What are we doing at Nursery this week? Afternoon Children

- Finding out about our rules and routines and meeting new friends
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Role playing Garden Centres
- Exploring textures as we play with our dinosaur small world

- Printing with vegetables and paint

- Practising counting and reciting numbers to 5 as we count our linking elephants

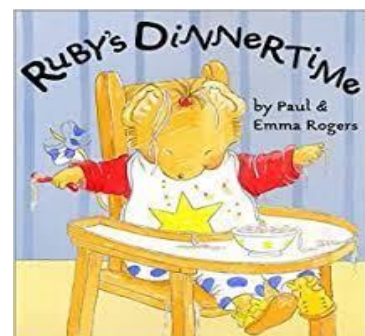

- Exploring our textured pathway outdoors

- Exploring our small world diggers in gravel

- Focusing on the story Ruby's Dinnertime

Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- ☀ Encourage your child to use positive language to talk about themselves and their abilities. Share stories about managing feelings, negotiating problems, resolving conflicts and sharing. Give children the vocabulary to describe their feelings and 'notice' positive actions, praising where appropriate.
- ☀ Help your child to find out about growth by planting seeds at home and caring for them as they germinate. Show them photographs of themselves as a baby and talk to them about how much they have grown.
- ☀ When out at the park or play area, encourage your child to think about safety when tackling new challenges. Enable them to manage their own risk by talking about how high they feel comfortable climbing and what might happen if they go near swings when in use, etc.

Please share any photos and anecdotes from any enhanced learning at home on your child's Tapestry account
