

# What are we doing at Nursery this week?

## Morning Children

- Reinforcing our rules and routines
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Finding out about different fruits as we order a variety by size and cut around outlines of fruit
- Role playing Garden Centres

Little Lambs Pre-School Centre	
Our Rules	
1. We care for each other	
2. We say 'please' and 'thank you'	
3. We listen to each other	
4. We call each other by our names	
5. We share and tidy up our toys	
6. We walk inside Pre-School	

- Comparing length as we thread beads onto different lengths of thread

- Finding out about hot countries and the animals that live there

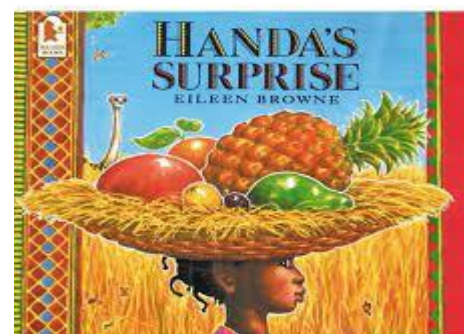

- Exploring clay as we mould it into shapes using our hands

- Practising our Fruit and Vegetable Yoga movements

- Focusing on the story Handa's Surprise

# What are we doing at Nursery this week?

## Afternoon Children

- Finding out about our rules and routines and meeting new friends
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Role playing Garden Centres
- Exploring shape and finding shapes that match during block play activities

- Keeping a steady beat as we sing rhymes together

- Investigating size as we compare objects

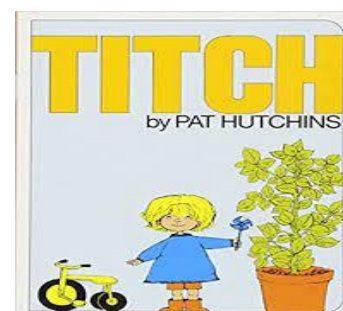

- Choosing different ways to move as we create an obstacle course using tree stumps and half logs

- Exploring our small world wild animal play and looking at the size difference between mummies and babies

- Focusing on the story Titch

## Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Encourage your child to use positive language to talk about themselves and their abilities. Share stories about managing feelings, negotiating problems, resolving conflicts and sharing. Give children the vocabulary to describe their feelings and 'notice' positive actions, praising where appropriate.
- Help your child to find out about growth by planting seeds at home and caring for them as they germinate. Show them photographs of themselves as a baby and talk to them about how much they have grown.
- When out at the park or play area, encourage your child to think about safety when tackling new challenges. Enable them to manage their own risk by talking about how high they feel comfortable climbing and what might happen if they go near swings when in use, etc.

*Please share any photos and anecdotes from any enhanced learning at home on your child's Tapestry account*
