

What are we doing at Nursery this week?

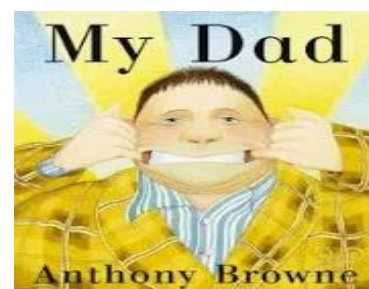

Morning Children

- Reinforcing our rules and routines
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Understanding the life cycle of a butterfly as we observe our caterpillars grow and change
- Finding out about caring for animals as we role play vets

Little Lambs Pre-School Centre	
Our Rules	
1. We care for each other	
2. We say 'please' and 'thank you'	
3. We listen to each other	
4. We call each other by our names	
5. We share and tidy up our toys	
6. We walk inside Pre-School	

- Using vocabulary of 'more than/less than', 'fewer', 'the same as' as we explore quantity whilst searching for hidden objects in the sand and counting the segments of button caterpillars
- Following sequences of movements during dancing and assault course activities
- Talking about people who are familiar to us as we draw pictures of our daddies
- Creating caterpillars using pipe cleaners and beads
- Focusing on stories about our Daddies

What are we doing at Nursery this week? *Afternoon Children*

- Finding out about our rules and routines and meeting new friends
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Role playing vets
- Learning to use tape to stick bottle tops to create a caterpillar

- Exploring emptying and filling containers during sand play

- Talking about people who are familiar to us as we draw pictures of our daddies

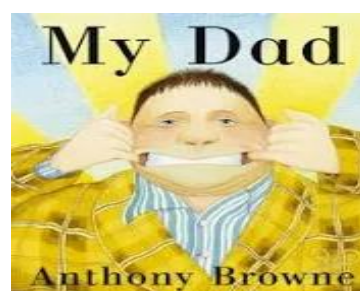

- Talking about our family life as we play with our small world doll's house

- Using our fine motor skills to thread beads

- Focusing on stories about our Daddies

Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Encourage your child to use positive language to talk about themselves and their abilities. Share stories about managing feelings, negotiating problems, resolving conflicts and sharing. Give children the vocabulary to describe their feelings and 'notice' positive actions, praising where appropriate.
- Help your child to find out about growth by planting seeds at home and caring for them as they germinate. Show them photographs of themselves as a baby and talk to them about how much they have grown.
- When out at the park or play area, encourage your child to think about safety when tackling new challenges. Enable them to manage their own risk by talking about how high they feel comfortable climbing and what might happen if they go near swings when in use, etc.

*Please share any photos and anecdotes from any
enhanced learning at home on your child's
Tapestry account*
