

# What are we doing at Nursery this week?

## Morning Children

- Reinforcing our rules and routines
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Talking about what we'd like to be when we grow up
- Learning about respect and caring for living things as we role play vets

Little Lambs Pre-School Centre	
Our Rules	
1. We care for each other	
2. We say 'please' and 'thank you'	
3. We listen to each other	
4. We call each other by our names	
5. We share and tidy up our toys	
6. We walk inside Pre-School	

- Using our hand eye coordination to 'catch' fish using our magnetic rods

- Playing together co-operatively as we explore our small world rock pool

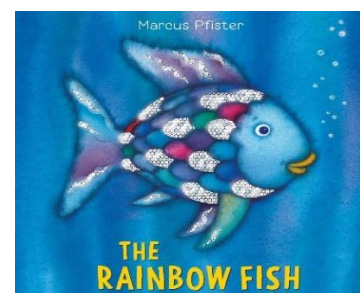

- Following patterns of movement as we enjoy dancing to music

- Learning about past and future as we discuss how much we have grown and are ready to move on to school

- Focusing on the story Rainbow Fish

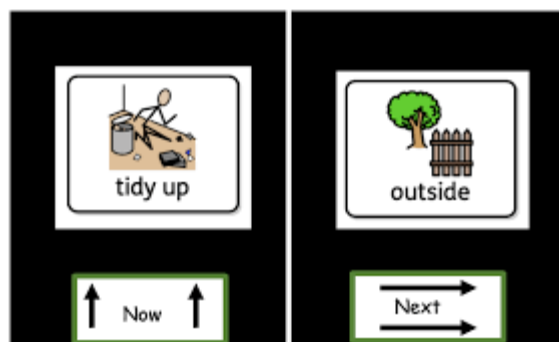

# What are we doing at Nursery this week?

## Afternoon Children

- Finding out about our rules and routines and meeting new friends
- Finding out about our daily rules and routines, especially washing our hands properly, before eating at café, after going to the toilets and throughout our time at nursery
- Talking about some of the things we have observed as we role playing vets
- Understands that things happen now or another time as we follow our routines in nursery

- Moving in different ways as we enjoy dancing with scarves

- Using our hand eye coordination to 'catch' fish using our magnetic rods

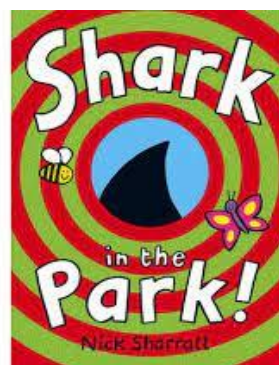

- Talking in simple sentences as we explore our small world rock pool

- Creating sun catchers using shiny collage

- Focusing on the story Shark in the Park and repeating the familiar refrains in the story

# Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Encourage your child to use positive language to talk about themselves and their abilities. Share stories about managing feelings, negotiating problems, resolving conflicts and sharing. Give children the vocabulary to describe their feelings and 'notice' positive actions, praising where appropriate.
- Help your child to find out about growth by planting seeds at home and caring for them as they germinate. Show them photographs of themselves as a baby and talk to them about how much they have grown.
- When out at the park or play area, encourage your child to think about safety when tackling new challenges. Enable them to manage their own risk by talking about how high they feel comfortable climbing and what might happen if they go near swings when in use, etc.

*Please share any photos and anecdotes from any  
enhanced learning at home on your child's  
Tapestry account*
