For Your Prayers

- Please could I ask you to hold before God for His healing - Mike and Jan ... the Lord knows all about them all.
- Please continue to pray for Mariann's son Matthew. He has been diagnosed with High Grade Lymphoma and has started chemo, which needs to be tweaked as it's not being effective enough. He is regularly receiving blood transfusions, but his levels are not holding. Matt is at home with Mariann so she can look after him as he is still very weak. Please pray for his complete recovery and pray too for Mariann as she supports him and for his partner Katie and their little girl at this troubling time.
- Please continue to pray for Harry, Jen Anslow's son. The operation to remove the brain tumour went ahead last Monday and he is now recovering at home,. News from the consultant is that 90% of the tumour was removed, but sadly the remaining 10% has been diagnosed as cancerous, so Harry will need radio and chemotherapy. Your prayers please that the treatment eradicates all cancer, and prayers too please for Jen and the family and for Harry's partner Sophie.
- Please continue to pray for Nigel Cook. He will be starting his daily radiotherapy sessions tomorrow, Monday 23rd June. Please pray that all goes smoothly and it does its job well for him.
- Please continue to pray for Ken and Bessie Priest, both at home, struggling with various health issues. Through all the difficulties, they are both in good spirits, and their faith is absolutely strong. Please hold them and their family in your prayers.
- Please would you pray for Jacqui Wilson, she has not been able to come to church for some time as her legs are quite swollen and she can't get out. Please pray that we can make a plan for her to be collected and taken home on Sundays so that she can be back with us.
- Please continue to hold Jane Hart in your prayers.
- Please keep on keeping on bringing before God beautiful little Mila. She now has 6hrs a week physio which is good as it gives Leigh a break. She's having a few problems with the feeding tube which is making her a bit sick which is upsetting her and making her cry. She now has a baby brother Jude who is gorgeous. Lots of prayers still needed for her.
- Please continue to pray for Jacqui Davies' niece Katie. She has had her last chemo, but now has to have a biopsy on one of her lymph nodes which is still swollen. She won't be able to start radiotherapy until after this has been completed, so please pray for a quick appointment and for good results so she can complete her treatment.
- Please keep Lynda in your prayers as she goes forward, for strength, determination and God's peace within as we continue to walk with her throughout her dementia journey.
- Please continue to hold Jacq in your prayers, asking the Lord to bring His healing touch on her life for all the left-behind, post-cancer, post-radiotherapy treatment damage. Please pray that the Lord will reach out and heal her, restoring her health. Please also pray the treatment for the lymphedema will continue to progress well to give her more relief from the symptoms, particularly in this hot weather.
- Please continue to hold Johnny Bass in your prayers as he continues with his chemo tablet treatment. As always, please continue to pray for John to be healed.
- Thank you for your continued prayers for Joyce and Roy as we continue to walk with them through the progression of Roy's AND diagnosis. Roy remains very tired and sleeping a lot of the time, and he's not eating and drinking as well as he was. Please continue to pray for ease for him and for strength, rest, courage and peace within for Joyce as she takes care of him 24/7.
- Please continue to hold Beryl and Julie in your prayers, for relief from pain for them both. They are both really struggling at the moment with mobility, so prayers please for that to ease. Thank you.
- Would you please keep our lovely Betty, who came along to Feel Good Fridays, in your prayers. She is increasingly frail and breathless, and her dementia symptoms are progressing. Please pray for her to feel a sense of God's love, comfort and peace.
- Would you please continue to pray for Philip, one of our Cancer Peer Support group. He has appointments coming up for the results of a number of tests/scans, please pray for good results from them all.

Prayers, Notes and News

- Please continue to pray for Carl and his family - Caleb's elbow is mending well but needs to have reverse surgery to take out the wires which stabilised his elbow after the original break, still awaiting a date for this. Carl is feeling better but things remain challenging in a house with 4 children with special needs. Please pray peace and God's presence to be evident.
- Would you please keep in your prayers all of our Sunday and Cornerstone bids, especially Des and Julia, who are currently in Nursing Homes, and Betty too. Prayers please for Pat Hall who hasn't been well enough to be with us for quite a while but is still in good spirits. Very sadly, Win is back in hospital flowing a stroke. Please pray for her to fully recover, and for Sadie who is continuing to recover at home but is getting very fed up not being able to get out. Please pray that they will all be well enough for us to be able to see them regularly again soon.
- Please pray for our Little Lambs staff, children and parents and for all our children and young people at nursery/school/college and university.
- Please keep in your prayers Bethel Treasures Heaven Scent. **With Mariann looking after her son at the moment, if you have any free time at all and are willing to use that to serve the Lord through Bethel Treasures Heaven Scent, please let us know ASAP so that we don't have to shut the shop, especially during the upcoming holiday season.**

Pray for Peace - Israel

Please pray for peace in the tumultuous Middle East. It is the centre of the world's eyes, and Biblically, that's where it will remain until the return of Christ and then all that the Bible promises for a new Heaven and a new Earth. Please pray that all the hostages are released, and that there will be a new ceasefire agreement. Pray too for the peace of Jerusalem, so Biblically important in these "last days." Prayers please now for the escalating war between Israel and Iran. Lord, in all the earth, bring your peace, through the knowledge of Jesus, your Son, our Redeemer, Prince of Peace.

Pray for Peace - Ukraine

Please pray for peace in Ukraine. Pray the fighting stops and that Russia are drawn into a genuine and brokered peace that brings safety and security for all the Ukrainians, without the loss of land.

It's a prayer for miraculous solution to be found, as in earthly terms, there is no chance of peace.

Believers Baptism

The next baptism service will be **next Sunday morning, 29th June**. Any late thoughts of being baptised, please see Jill ASAP.

Also for the baptism, if anyone can help with getting the baptism tank up, assembled and filled anytime between Wednesday afternoon and Saturday, could you please let us know and we can co-ordinate when people are needed. It will also need to be taken down after the service next Sunday, so that everything is ready for the evening service, if you can stay and help afterwards. Thank you.

Maggie O'Hara sings Abba

Friday 18th July is the next evening planned with Maggie O'Hara, this time singing the songs of Abba, so that sounds like it will be good for a sing-a-long! Seats are £5 each to include buffet, bring your own drinks or hot drinks and pop available. **Can we have final names and all payments in by 30th June please?**

Dance Show

Our Charlotte has been rehearsing for many months for "The Big Show at 60", a special show by the Karen Yates School of Dance at Dormston Theatre, Sedgley - and it is now almost show time! Dates are Friday 27th June at 7.15pm and Saturday 28th June at 2.15pm and 7.15pm. Tickets are £16 and it is in aid of the Motor Neurone Disease Association and the Cerebral Palsy Foundation. Ring Karen on 07889 864402 for tickets.

Charlotte won a trophy for performing well in her show rehearsals. Well done Charlotte!
