For Your Prayers

- Please could I ask you to hold before God for His healing - Mike and Jan ... the Lord knows all about them all.
- Please continue to pray for Mariann's son Matthew. He has been diagnosed with High Grade Lymphoma and has started chemo, which needs to be tweaked as it's not being effective enough. He is regularly receiving blood transfusions, but his levels are not holding. Matt is at home with Mariann so she can look after him as he is still very weak. Please pray for his complete recovery and pray too for Mariann as she supports him and for his partner Katie and their little girl at this troubling time.
- Please continue to pray for Harry, Jen Anslow's son. He has now had the operation to remove the brain tumour and he is now recovering at home,. News from the consultant is that 90% of the tumour was removed, but sadly the remaining 10% has been diagnosed as cancerous, so Harry will need radio and chemotherapy. He sees the oncologist this coming week to make a treatment plan. Your prayers please that the treatment eradicates all cancer, and prayers too please for Jen and the family and for Harry's partner Sophie.
- Please continue to pray for Nigel Cook. He started his radiotherapy on Monday but became unwell and has been in hospital since Wednesday. He was due to have an MRI to check if it is a stroke he has had. Please keep praying for him.
- Please continue to pray for Ken and Bessie Priest, both at home, struggling with various health issues. Through all the difficulties, they are both in good spirits, and their faith is absolutely strong. Please hold them and their family in your prayers.
- Please would you pray for Jacqui Wilson, who hopefully is with us this morning!!!
- Please continue to hold Jane Hart in your prayers.
- Please keep on keeping on bringing before God beautiful little Mila. She now has 6hrs a week physio which is good as it gives Leigh a break. She's having a few problems with the feeding tube which is making her a bit sick which is upsetting her and making her cry. She now has a baby brother Jude who is gorgeous. Lots of prayers still needed for her.

- Please continue to pray for Jacqui Davies' niece Katie. She had the biopsy on one of her lymph nodes which is still swollen on Tuesday. The fantastic news is that the results came through on Friday and all is clear! Thank you so much for your prayers, she can now go forward and start her radiotherapy treatment.
- Please keep Lynda in your prayers as she goes forward, for strength, determination and God's peace within as we continue to walk with her throughout her dementia journey.
- Please continue to hold Jacq in your prayers, asking the Lord to bring His healing touch on her life for all the left-behind, post-cancer, post-radiotherapy treatment damage. Please pray that the Lord will reach out and heal her, restoring her health. Please also pray the treatment for the lymphedema will continue to progress well to give her more relief from the symptoms, particularly in this hot weather.
- Please continue to hold Johnny Bass in your prayers as he continues with his chemo tablet treatment. As always, please continue to pray for John to be healed.
- Thank you for your continued prayers for Joyce and Roy as we continue to walk with them through the progression of Roy's AND diagnosis. Roy remains very tired and sleeping a lot of the time, and he's not eating and drinking as well as he was. Please continue to pray for ease for him and for strength, rest, courage and peace within for Joyce as she takes care of him 24/7.
- Please continue to hold Beryl and Julie in your prayers, for relief from pain for them both. They are both really struggling at the moment with mobility, and sadly, Beryl had a fall last week! She is Okish, just resting and trying to recover. so prayers please for that to ease. Thank you.
- Would you please keep our lovely Betty, who came along to Feel Good Fridays, in your prayers. She was taken into hospital earlier this week with dehydration and a mouth infection. Back at the home now with instructions to keep an eye on her fluids. Please pray for improvement to her health and for her to be surrounded by God's comfort and love.

Prayers, Notes and News

- Would you please continue to pray for Philip, one of our Cancer Peer Support group. They have discovered another small tumour on his liver which they are going to treat with an operation using ultrasound. Please pray that this can be done soon and for a quick recovery for him.
- Please continue to pray for Carl and his family - Caleb has had his surgery to repair his elbow so should be back to normal in around 6 weeks. Please continue to pray for peace and calm in the house and healing for Carl.
- Would you please keep in your prayers all of our Sunday and Cornerstone bids, especially Des and Julia, who are currently in Nursing Homes, and Betty too. Prayers please for Pat Hall who hasn't been well enough to be with us for quite a while but is still in good spirits. Thankfully, Win is back home after being in hospital following a stroke. Please pray for her to fully recovery, and even back with us at Cornerstone. Prayers please for Sadie who is sadly in hospital - she has several medical problems, so please pray that these can be sorted out for her.
- Please pray for our Little Lambs staff, children and parents and for all our children and young people at nursery/school/college and university. Pray for peace and strength for the teachers too as they go through this busy time towards end of term.
- Please keep in your prayers Bethel Treasures Heaven Scent. **With Mariann looking after her son at the moment, if you have any free time at all and are willing to use that to serve the Lord through Bethel Treasures Heaven Scent, please let us know ASAP so that we don't have to shut the shop, especially during the upcoming holiday season.**

Pray for Peace - Israel

Please pray for peace in the tumultuous Middle East. It is the centre of the world's eyes, and Biblically, that's where it will remain until the

return of Christ and then all that the Bible promises for a new Heaven and a new Earth. Please pray that all the hostages are released,

and that there will be a new ceasefire agreement. Pray too for the peace of Jerusalem, so Biblically important in these "last days."

Pray for Peace - Ukraine

Please pray for peace in Ukraine. Pray the fighting stops and that Russia are drawn into a genuine and brokered peace that brings safety and security for all the Ukrainians, without the loss of land. It's a prayer for miraculous solution to be found, as in earthly terms, there is no chance of peace.

Baptisms

Today is baptism day for Tom, Jack and Jamie - please pray for them as they go 'through the waters' today, and for each of them as they go forward in their faith. Many thanks to Steve B, Steve H, Nathaniel, Reece and Andy P for all their help putting up, and later today taking down, the baptistry tank.

Maggie O'Hara sings Abba

Friday 18th July is fast approaching for the evening with Maggie O'Hara, this time singing the songs of Abba, so that sounds like it will be good for a sing-a-long! Seats are £5 each to include buffet, bring your own drinks or hot drinks and pop available. **Can we have final names and all payments in by tomorrow, 30th June please?**

Congratulations

Many congratulations to Ewan, who is doing so well with his cricket that he has been chosen to play with the adult 3rd team at Old Hill, and recently gained his first cap for them - well done Ewan, how fantastic!
